

notice of the Hon'ble Minister, no action has been taken to open another Sub-Division?

Sri H. M. CHANNABASAPPA.—The guiding principle in re-organisation is that as far as possible each Taluk must have a Sub-Division, and wherever the work-load justified additional Sub-Divisions, the Government have no objection to start fresh Sub-Divisions.

Dr. R. NAGAN GOWDA.—Out of 48 Divisions 40 have been retained. What happened to the heads of those other 8 Divisions? Were they absorbed in some other works or were they sent home?

Sri H. M. CHANNABASAPPA.—There is no question of sending them home. This is only a question of re-organisation. As I have already stated, 14 Sub-Divisions have been abolished and 6 new Divisions have been created and these officers are re-distributed.

ಶ್ರೀಮತಿ ಬಸವರಾಜೇಶ್ವರಿ.—ರಾಯಚೂರಿನಲ್ಲಿ ವರ್ಕ್ ಹೆವ್ವಿ ಇರುವ ಸಲುವಾಗಿ ಮಾನವಿಯನ್ನು ಬಂದು ಸಬ್ ಡಿವಿಜನ್ ಮಾಡುವ ಯೋಚನೆ ಮಾಡುತ್ತೀರಾ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಲೋಡ್ ಬಂದಾಗ ಆಲೋಚನೆ ಮಾಡುತ್ತೇವೆ.

Sri C. K. RAJIAH SETTY.—May I know whether, the Sanitary Circle is no more in existence?

Sri H. M. CHANNABASAPPA.—It has already been abolished.

Sri C. K. RAJIAH SETTY.—If you start new Divisions and abolish them later on, will it not cause a lot of dislocation in the regular work?

Sri H. M. CHANNABASAPPA.—Life itself is a question of trial and error.

Development of Roads used by Mining Vehicles in Chikkanayakanahalli Taluk.

*Q.—261. **Sri C. K. RAJIAH SETTY** (Chikkanayakanahalli).—

Will the Government be pleased to state :—

(a) the length of road where mining vehicles and machinery move in Chikkanayakanahalli taluk;

(b) whether these roads are included for development from the grants given by the Government of India in this behalf;

(c) if so, the estimated cost of these works?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(a) 32½ miles.

(b) No.

(c) Does not arise.

Sri C. K. RAJIAH SETTY.—Here it has been said in answer to (a) that on 32½ miles length of road there is a lot a mining traffic. May I know why this length of road was not included under the grants given by the Government of India?

Sri H. M. CHANNABASAPPA.—The Government of India will give grants and also specify the particular roads on which those grants have to be spent.

Sri C. K. RAJIAH SETTY.—May I know whether the Central Government have not asked this Government to furnish a list of roads where there is mining traffic?

Sri H. M. CHANNABASAPPA.—The Government of India have ascertained all the necessary information from various sources and they have prescribed that the amount given by them should be spent on particular roads and the Government of Mysore have no choice in that.

Sri C. K. RAJIAH SETTY.—May I know whether the Central Government have not referred to this road while they ascertained information?

Sri H. M. CHANNABASAPPA.—Speaking from memory, I have not been called upon to give my opinion on this.

Sri C. K. RAJIAH SETTY.—When this information was ascertained Sri Veeranna Gowda was the Public Works Minister.

Sri H. M. CHANNABASAPPA.—I am speaking from memory, and that is why I said not that I know of. I will ascertain.
